WORK EXPERIENCE

QA Engineer

MoneyForward India

12/2023 - 11/2024

Chennai, India

Achievements/Tasks

- Worked with Agile and Scrum frameworks to achieve project objectives and meet tight deadlines.
- Actively contributed to Sprint planning, daily stand-ups, and other Sprint ceremonies, providing insights to enhance process efficiency and product development.
- Developed and maintained automated test scripts using Playwright with TypeScript, integrated with CircleCI for continuous testing in the CI/CD pipeline.
- Performed thorough API testing and validation using Postman to ensure seamless integration and functionality.
- Designed and executed performance tests with JMeter to assess system stability and optimize load capacity.

Testing Engineer

IVTL Infoview Technologies PVT LTD

03/2018 - 11/2023

Chennai, India

Achievements/Tasks

- Developed automated test scripts using an internal tool (Clover) and scheduled scenarios for re-testing.
- Developed test cases, generated reports, and performed regression testing across multiple projects.
- Wrote JMeter and Fiddler scripts to analyze screen performance under multiple users, injecting bulk data into the database, and measuring response times.
- Conducted comprehensive functional testing and reported bugs for mobile applications.
- Ensured accurate translation and functionality for multiple languages, including Japanese, within the application.

Associate

Hurix Systems

10/2017 - 12/2017

Chennai, India

Achievements/Tasks

- Collaborated on e-book conversions and performed proofreading for Spanish educational books.

VOLUNTEER EXPERIENCE

ERT Member

IVTL Infoview Technologies PVT LTD

Tasks/Achievements

- Served as an Emergency Response Team (ERT) member at the branch office(Trichy), providing prompt solutions during emergency situations.
